

Sunday School Memory Verses and Key Points

December-February 2011-2012

God's word says, "I have hidden your word in my heart that I might not sin against you." Psalm 119:11. I pray that you will be able to memorize these verses and share them with others.

There are some weeks when we don't have Sunday school but I gave you memory verses to work on at home. Your Sunday school teachers will give you your workbook pages also in case you would like to read the stories and work on the activities at home.
